Membership Plans

To generate revenue from a website, having membership plans is a great method for customers to use your services in exchange for a specific amount.

To add and edit membership plans for your website, click here.

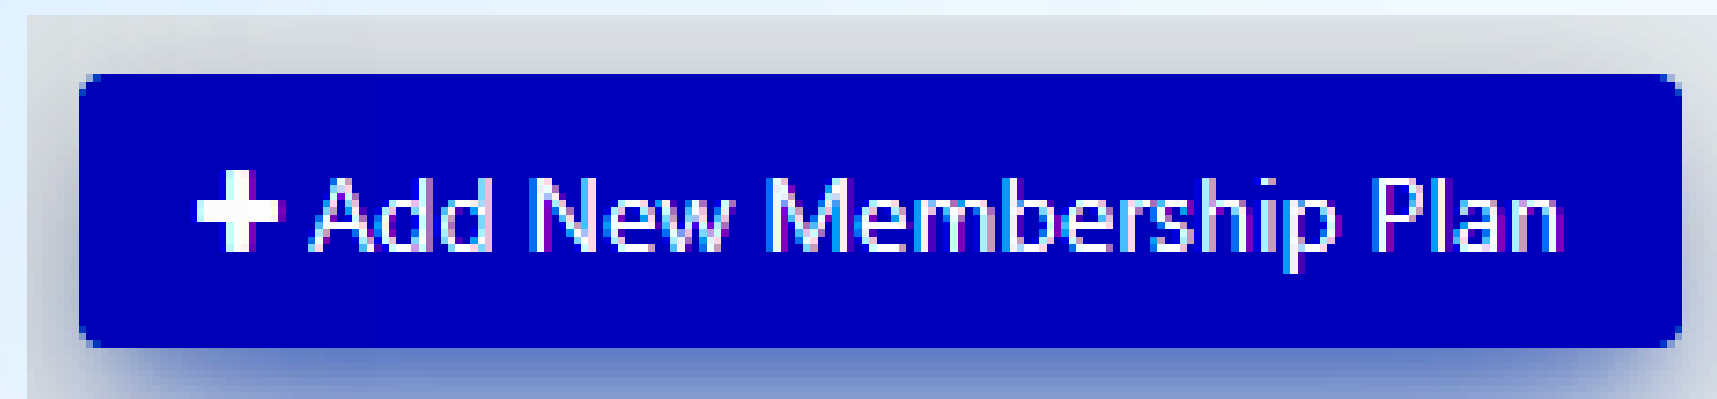

It will take you to a new tab where you can make the necessary changes.

The screenshot shows a web dashboard for managing membership plans. On the left is a vertical menu with options like Dashboard, Members, Content, Media Manager, Leads, Finance, Manage Products, Transaction History, Payment Gateways, Coupon & Deals, Emails, Toolbox, and Settings. The main content area is titled 'Dashboard /Membership Plan' and features a '+ Add New Membership Plan' button. Below this is a 'MANAGE MEMBERSHIP PLAN(1)' header with a search bar. A table lists the details of a membership plan:
